Greeting from Ulandi Tuebes, Netball Canada President

Welcome to all our Netball players and friends from across Canada, to the 44th Annual National Netball Championships. This event is an opportunity to re-connect with other Provincial Netball players, to showcase skills, which everyone has worked so hard to perfect, and to enjoy friendly competition. It is also an opportunity to connect with other Netball enthusiasts and friends.

We are grateful to our hosts, BC Netball in Vancouver, for hosting this event, and hope to show our appreciation with the best of the best competition.

To everyone who is here because of their love for the game, play well and have fun!

Greeting from Ann Willcocks, BC Netball Association President

It is my pleasure to extend a very warm British Columbia welcome to the members of the Alberta, and Quebec Netball Associations. The netball community in BC would like to offer you our friendship. We are delighted that you are here. Thank you for traveling to British Columbia. I know that in these times of limited financial resources you are winners just to be here.

I would also like to welcome our friends from England and Jamaica who are here to officiate. Their expertise and knowledge in the field of officiating will enrich the experience for all our players.

We will do our best to ensure that your weekend is memorable and that you will go home with fond memories of your stay in Burnaby. I hope that you will have the opportunity to reunite with old friends and make new ones.

I know that the games will be contested in the spirit of fair play and sportsmanship.

We will witness fine skills and close competitive games. I hope that you will enjoy challenging yourself to be your best.

I would like to extend my sincere thanks to the tournament committee and all the helpers working this weekend. Their willingness to volunteer has made this event possible. Also my thanks go to the directors of Netball BC for the ongoing work and commitment they have made to netball.
